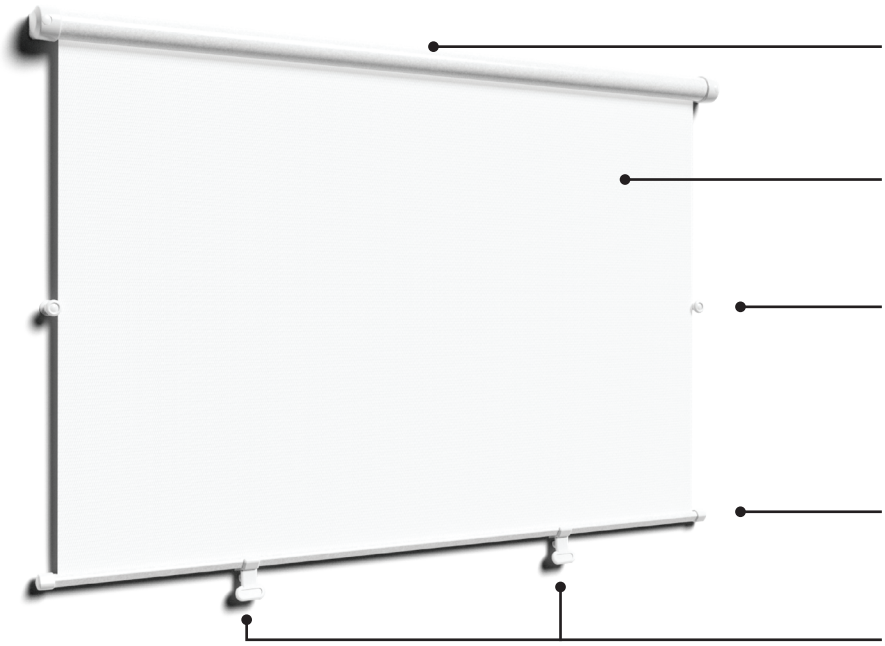
Roller Maxi

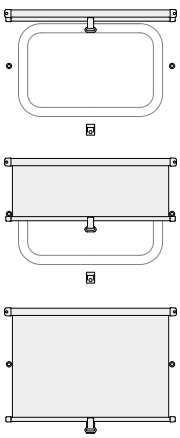


Smart, neat and practical cassette blinds for hatches, windows and portlights

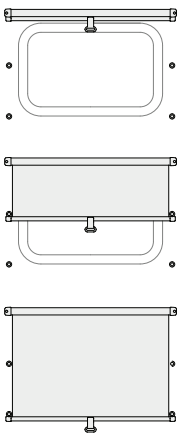
- Spring loaded roller blind in a slimline cassette
- Onboard privacy and comfort
- Cabin light and temperature control
- Reduce UV damage and glare
- Ergonomic finger-moulded handles for convenient use and beautifully neat and tidy stowage
- Optional low profile crossbar end caps for reduced light gaps
- Wall or ceiling fix

Crossbar end cap and hold-down options

Rubber crossbar end caps work with pegs for an intermediate hold-down position and a central pull and catch for full deployment.



Rubber crossbar end caps work with multiple pegs for different hold-down options. No need for a central catch.



Low profile crossbar end caps give reduce light gaps down the sides of the blind. Works with a central catch for full deployment.
